Desired customer pick up date: \_\_\_\_\_

Cros-B-Crest Farm, LLC (CBC) is pleased to be your supplier of high CBD industrial hemp clones and seed starts. Orders will be available for pick-up from our Staunton, VA greenhouse or delivered depending on location and truck availability. A 50% deposit is required with your order, cash or certified check only. Your deposit will be credited toward your final invoice. Final payment is due upon pick-up, cash or certified check. If plants are to be delivered, payment must be received before delivery. Certified checks should be made payable to: Cros-B-Crest Farm, LLC.

**Required Documents & Paperwork:**

- Hemp at Cros-B-Crest Farm, LLC Order Form
- Copy of state-issued Industrial Hemp Grower’s License
- Deposit upon confirmation of order

**Order/Payments:**

All payments should be made payable to **Cros-B-Crest Farm, LLC**. Orders will be taken in a first come first serve basis. Orders will receive scheduling priority based upon the date the deposit is received. If you require additional clones after your initial deposit, this additional order does not receive priority; it is a new order. Please plan your order accordingly. Virginia’s 5.3% Sales Tax will be added to all orders unless you have a Wholesale Tax ID number.

**Pricing\*:**

CBC offers clones and starter plants in 50ct trays.

Clones	Feminized Seed Starter Plants
\$6.00 per clone	\$5.00 per plant

*\*pricing subject to change*

**Order Pick Up:**

Monday – Friday, 9:00am – 4:00pm  
 Cros-B-Crest Farm: 1064 Buttermilk Spring Road, Staunton, VA 24401

CBC will process your order prior to your arrival and stage it for inspection upon arrival. Please allow adequate time for inspection and loading. It is the responsibility of the purchaser to secure reliable and safe transportation of plant material after it is purchased from CBC. Open pickup truck beds are not an acceptable mode of transport. *A 3% restocking fee will incur for orders not picked up within originally scheduled pick up time.*

**Initial**

\_\_\_\_\_ Clones may not be returned after they have been inspected, accepted, and picked up. No other warranties pertaining to this or any additional orders are offered, expressed, or implied.

\_\_\_\_\_ All agreements are contingent recognizing that there can be unforeseen production challenges in propagating, accidents, or delays beyond our control. Plants are living organisms and therefore planning exact delivery dates can be variable. CBC will continually communicate with customers during order maturity to provide specific pick up date windows as available.
